Assessor Comments	Good line of well bred Angus weaner heifers. Tops of draft. Good forward/store condition. Majority quiet to handle in good facility. Ready to go on for successful purchaser and ideal backgrounding or feed lot heifers to grow on to heavy trade or export weights or grow out as future breeders. Are doing well since weaning considering the very dry season in the South West of Victoria. Note: 29 tops of draft Steers, 14 seconds Steers, 16 seconds of heifers - also in this sale from same property.
