Assessor Comments	80 Watervalley offering the top draft of 2022 marked heifers. Pregnancy tested empty heifers Weighing 348.7 kg Curfew, being in healthy store condition. These heifers have had a very dry past 12 months, but show a good medium mature frame that will hang weight on fast given the right opportunity. Watervalley cattle are well known for their doing ability, resilience and toughness. They will perform well for those buyers with feed and wish to add value to their purchases.
