Assessor Comments	Top line of very good quality young AA Heifers. This is the first draft with none being retained by vendor due to season. Doing well given the 2 dry seasons. Well regarded cattle that grow out to medium/large and large frame breeders. Presenting in store condition, weaned approx 4 weeks prior to assessment. Excellent opportunity to secure a solid line of excellent quality vendor bred hfrs with all the options in front of them. Noted light ringworm showing through, see video and photos. Please note vendor has another 2 deck line in same sale making 4 decks of vendor bred heifers total.
