Assessor Comments	Buyers, on offer 40 Angus X Angus PTIC Heifers. Heifers will be offered as a run out the gate in two lots. An opportunity to purchase heifers that come from a herd packed full of Texas, Ascot and Burenda blood with the vendor buying bulls well above average. Heifers have been joined with Ascot bulls over a 3-month period. Heifers were good to handle at assessment and come from a herd with a very good reputation. Buyers please note, two heifers presented with some white under their naval and one with some slight blight scarring, both were not deemed an issue. PTIC Heifers of this quality from a very well-respected herd rarely become available and are well worth your consideration.
