Well handled cattle that were a pleasure to handle at assessment.

Handled With	Bikes , Dogs , Horses
Assessor Comments	A lovely line of well grown young females, PTIC for a short 6 week window to two top performing low birth weigh Angus bulls. These heifers are lovely and quiet, and are a result of a very well established Ultrablack commercial herd. Females not to be missed by anyone chasing young Ultrablack style females. Please not two old blue eye scaring noticed at assessment but not detrimental.
