Assessor Comments	Very Good Quality Shorthorn PTIC Cows. Cows present in forward store to Prime condition having had a great start of year. Woodpark Pastoral have been breeding quality Shorthorn cattle for 40 years with quality showing in the cattle with great capacity in their breeding. Cows hold themselves well being mostly 7.5 years old. All cows assessed have good udders and will continue to breed on in future years. Calves have been weaned off mum on the 30/1/24. Cows presented are bred from Sprys, Broome & Weebollabolla Shorthorn bloodlines. Vet comments were that the cows preg tested were all close in calving windows.
