Assessor Comments	Buyers, here is an opportunity to purchase a 1.5 deck line of VGQ, Brahman cross future breeders. The heifers have a live weight range of 275kg to 414kg and an average of 348.7kg at assessment after an overnight curfew. The heifers come from a herd with a very strong reputation for doing ability on both grain and grass. They stand of good bone and present good length and depth. These heifers would suit the job of your choice weather you want to grow them out to trade or 100 day feeder weights, them through to slaughter weights or put them with the bull of your choice, these heifer will do it. Please note these heifers have been pretreated through a plunge dip to assist potential buyers in tick free country. It will be the purchaser responsibility to insure ass cattle tick regulations are followed. note the vendor has another line of heifers in the same sale.
