Assessor Comments	A Very good line of EU accredited, Angus unweaned steers. These steer weaners have great weight for age, ranging from 230kg - 310 kg at assessment. Quality weaners with exceptional carcass attributes and frame. These weaners are sired identified, (Yellow Tags sired by Ben Nevis SHEPHERD, Blue Tags sired by Texas BONUS and Pink tagged calves are sired by Duddy Angus RENAGADE) and out of quality moderate to large framed Angus cows. These cattle have previously performed very well in feedlots. A perfect group of weaners to carry through winter and grow into quality feeder steers or alternatively hold for a quality kill carcass. NOTE: 1 steers has a small white birthmark on his tailhead. 6 steers were observed to have white behind their navel or on the purse, as seen in photos. VENDOR HAS MULTIPLE LOTS IN SALE.
