	Weaners handled well through the yards with a steady flow.					
	Bikes , On foot , Vehicles					
Notable Traits	Traits					

2 Head Slight white behind the navel.

1 Head Small white birthmark on Jaw.

Assessor Comments A good line of EU accredited Angus unweaned steers. These steers handled well through the race and throughout the yards. The weaners are all sire identified, (Blue tags are by Texas BONUS, Yellow tagged weaners are by Ben Nevis SHEPHERD, and the Pink tags are sired by Duddy Angus RENAGADE), out of moderate to large framed Angus cows. An ideal lot to carry through winter and trade as a feedlot steer weights or alternatively carry-on to a quality kill carcass. NOTE: 1 steer has a small white birthmark on the jaw. 2 steers were observed to have white behind the navel/on the purse. VENDOR HAS MULTIPLE LOTS IN SALE.
