Assessor Comments	Quality line of late spring drop vendor bred Angus & Black Baldy steers. Very well-bred steers being bred out of medium to large frame Bongongo, Rennylea & Reiland Angus blood mothers and sired by high indexing Bongongo, Reiland & Flemington Angus Bulls. Since weaning these cattle have been powering ahead. These steer weaners are showing excellent growth & weight for their age at 5/6 months and would be suitable cattle for any backgrounding or finishing program. Steers have been yard weaned and have had all the health treatments and are ready to steam ahead. Buyers please note four of these steers were marked at weaning on 5/2/25 with Jumbo Rings, all purses have fallen off. The vendor is also selling 57 Angus steers & 13 Angus/Black Baldy heifers in the same sale today. Excellent opportunity to put 84 very well-bred Angus weaners back together.
