Assessor Comments	Buyers on offer is the lead draft of the very renowned Berrembed Station steers that are all Dunoon blood. August/September drop steers that are extremely well known across the country as being some of the highest performing steers for weight gain and weight for age. Steers are all weighed into a tight weight bracket and would be ideal steers to background into feeder weights or grow into heavy kill steers. These steers are usually grown into feeder weights however due to a dry season they are being offered early. A neat line of steers that are all weighed from 250-335Kg full. Potential purchasers can bid with upmost confidence of buying some of the industries best Angus steers. Buyers please note that there is 100 of these steers and will be delivered as ROTG. Feel free to contact for any questions.
