Assessor Comments	60 Watervalley Angus steers Ave 250.7kg LW Curfewed. This line of Angus steers are individually weighed presenting in store condition, with medium frames. They have been subjected to drier conditions and are capable of fast compensatory weight gains given opportunity. A run out of the gate from 175 steers in the line with a large tail removed Approx 3% of these steers show signs of being later marked although buyer can be be confident that they will clean up and are purchasing genuine steers. Any off types or suspect cattle removed at assessment Approx 2% show a small amount of sheath. Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases.
