Assessor Comments	Buyers a small line of VGQ well bred ptic heifers .These heifers come from a very good Santa herd of highly fertile cows and are only being sold as they-have fallen out of vendors window . Heifers stand on good bone and show the length , depth and breeding to be an asset to most breeder herds .All Ptic to good Quality Angus and Santa Stud Sires in a tight 3 month window. Please note a couple of heifers showing fly rub marks and one with slight blue scarring in one eye neither considered detrimental.Vendor has another mob of ptic black heifers in this sale to make 3 decks.
