Assessor Comments: A quality line of 36x37 Simmental Cross Cows and calves which are only being sold due to the property being sold. Cows present in a store to forward condition averaging 618kgs at assessment. Cows have been running back with the Gowrie Bull up until the assessment date and 27 have been preg tested back in calf. Cows are large in frame and have been doing a great job on their calves which average 217kgs. Calves are split 18H & 19S, which have all be marked and vaccinated up to date. This article presents a unique opportunity to purchase large framed quality 3in1 breeders, with a good sappy calf at foot.
