Assessor Comments	Buyers here is a opportunity to purchase a good quality line of Hereford first calf cows and calves. These are heifers with all their lives ahead of them with a new calf at foot and ready to be put back to the bulls of the purchasers choice. The Woodbury herd have a long time breeding history and are only being sold due to the sale of the property. They stand on good bone and have sound udders full of milk, they are doing a great job on their calves.I would expect these heifers will be an asset to a commercial herd to be retained as breeders.
