Assessor Comments: *** Complete Herd Dispersal *** Vendors are moving from the district so the Herd must be sold. This herd has been built up over the last three, cows have been purchased in four lines of females from across the New England & a small percentage from Victoria from reputable angus breeders. Now on offer as a run out of the gate of two lies of 34 from a total of 64 Young Angus PTIC cows that are in calf too Millah Murrah blood registered bulls bred from the Chapmans breeding program down at Tamworth. Cows are majority of large frame & have been great consistent commercial breeders, Cows have been putting every thing into their calves thus presenting in their working clothes (See photos in A+ weaner sale) and will have calves on them until trucking. Calving from early June onwards these young cow represent a great opportunity to get into your own breeding program with no sleepless nights. Please see another line of 24 PTIC Heifers for sale from the same herd in this same sale.
