Assessor Comments	Very good quality line of PTIC cows with plenty of weight standing on good medium to large frame. Cows are GSM ideal to take on calve and split later on. Cows all weaned very good quality calves. Cows have plenty of breeding in them to produce quality weaners. 2 cows very small swirls on poll not considered to be scurs. 1 cow cloudy blue eye on off side. Opportunist cows to produce good weaners and then be heavy cows to trade on.
