Notable Traits

	Traits
2 Head	Blue scarring on one eye

Assessor Comments

A very quiet line of well bred Angus cross heifers PTIC to low birthweight Waitara Angus bull. Heifers are well grown for age and bred out good frame Braford/Hereford cross cows. These heifers are on the point of calving and will calve over the next 4 weeks. 2 heifers are straight black with small scurs the balance black baldies. A great opportunity to purchase a very quiet, well bred line of heifers.
