Assessor Comments	An excellent line of 27 PTIC Angus heifers. Reiland Angus Stud is renowned across the East coast of Australia for producing quality Angus cattle to perform in any conditions. This is an opportunity to purchase high quality Angus genetics that will be an asset to any breeding program. These heifers show good weight for age and are in ideal condition for this stage of the pregnancy. These heifers will mature into highly productive breeders which will not only provide high quality sale progeny but also offer great genetic gain for the purchaser running a self-replacing herd. NB: Odd heifer with white on udder. Odd heifer with small amount of warts.
