Assessor Comments	Here is a rare opportunity to purchase genuine young vendor bred Angus breeders jam packed with Landfall Blood born and raised in the rolling hills of Gippsland. This is a regretful sale and the cows have only become available due to a dry season in Gippsland. The cows are Ptic to their 2nd and 3rd (Landfall blood) calf to commence calving from 16th of August. These cows are proven breeders with only having their calves weaned off 2 weeks ago the cows present in forward store condition. I have no doubt these cows would go on and do a great job in to the future given the opportunity. Never Ever Accredited, JBS Accredited
