Assessor Comments

118 Brangus Cross weaner steers that average 231 kg at delivery. Based out of a Santa, Charolais, Brangus and Brahman herd of cows, and sired by Brangus and Rockingham Santa/Angus bulls these steers are good performers on grass and are ideally suited to background to heavier feeder weights or export bullocks. Buyers please note 9 hd branded family mark and 8 steers are of recently purchased cows- no difference in steers. Steers have been mustered last week and weaned off mum and will remain in yards on GQ hay until delivery. Steers are a pleasure to handle in both the yards and paddock. A large compensatory gain on offer for the purchaser with plenty of frame to pack on the kilos quickly given the opportunity. Vendor also has 2 lots of heifers in sale.
