Steers were good to handle through the yards a few stirred up when caught in the crush. The odd steer a bit trotty through the back yards.

| Assessor Comments | Buyers on offer is a line of 32 angus and angus x steers. Majority of these steers were brought of out Blackall saleyards as weaners 5-6 months ago with the others being vendor bred. A very nice line of steers with plenty of compensatory gain to be taken through to heavy weights or to be fed for domestic markets. Buyers please note this vendor also has another lot in this sale. |
