Assessor Comments	Here is a very good line of Angus and Angus Limousin cross yearling heifers. They are by Hazeldean and Exton Angus bulls out of very fertile large framed Angus and Angus Limousin Cross cows. These heifers would be very suitable replacement breeders or trade/heavy feeder types. The temperament of these heifers is exceptional. They are extremely quiet to handle and a pleasure to deal with. Take these heifers home and put to your bull of choice as heifers have been preg tested empty by Bell Vets on 3/3/2025. If you are looking for good quality Angus and Angus cross heifers with great temperaments then these are the ones
