Notable Traits	Traits					

5 Head Slight white behind the navel.

Assessor Comments	A Very good to good line of EU accredited, Angus unweaned steers. These steer weaners ranged from 192kg - 298kg at assessment with a 5hr curfew. Out of moderate to large framed Angus cows sired by quality Angus bulls. All weaners are sired identified (Orange tagged weaners are sired by Highland Court Lotto, Black tags are sired by Booroomooka Lorenzo. Green Tagged weaners sired by Booroomooka Beast Mode and pink tagged weaners are sired by Duddy renegade). An ideal lot to hold throughout winter targeting a feedlot weight or finishing to a quality kill carcass in the future. Chappell cattle have previously performed well in feedlots. Note: 5 Weaners observed at assessment had white behind the navel/on the purse. VENDOR HAS MULTIPLE LOTS IN SALE.
