	These steers were a pleasure to move around the yards being properly weaned and handled, a couple just became slightly agitated in the confines of the weigh box.		
Handled With	Bikes , Vehicles		
Assessor Comments	This mob of medium to large framed Angus cross steers are well bred, well handled and right up on all treatments. Young and well grown they represent a good opportunity to buy cattle that will suit either the feeder market or grow out to export weights on grass. These steers are showing all the growth potential of their cross. The vendor is also offering 25 Angus x Angus steers and 7 smaller steers in the same catalogue.
