These steers were a pleasure to move around the yards being properly weaned and handled, one just became slightly agitated in the confines of the weigh box.

Assessor Comments

This little lot of Angus and Angus cross steers are well bred, well handled and right up on all treatments. These 7 steers are the younger calves out of two other lots of 25 the vendor has for sale in the same catalogue, and may suit a smaller operator, or to fill a pen for a larger buyer. The other two lots are 25 Angus , and 25 Black Baldy steers at heavier weights.
