Cattle were a little stand offish in the yards, but were quiet in the race and crush. Some of the steers came up to the vendor during pictures, looking for a Pat.

Handled With: Bikes , On foot , Vehicles

Assessor Comments: Very good quality Angus x steers with added shape. The steers are vendor bred Angus x Romagnola, they show all the

	positive traits of both breeds. Extra shape from the Romagnola, with a soft, slick coat in a black hide. They display plenty of finish and cover. There is a large weight range, with the heavier cattle killable and the other carry enough condition to meet kill specifications quickly on the right nutrition.
