Assessor Comments

Excellent quality line of Angus steers. These steers are bred from one of the better Angus herds in the Tumut region. Great steers to take on to feeder weights or kill weights. These steers present as all frame, they have come through a tight summer at Gilmore and vendors is only offering due to seasonal conditions would normally grow into feeder weights. The Shore family invest heavily into the top end sires at Dunoon/crawford and Bongongo studs. The Shore steers have
