	These weaners have had a terrific education throughout their weaning period and were a pleasure to handle. Excellent temperament and would suit the most discerning buyer.			
Handled With	Bikes , On foot , Vehicles			

Assessor Comments	Excellent quality draft of Angus heifer weaners carrying plenty of the Angus breeds leading genetics. All the hard work has been in done in preparing these weaners for the next user with an extensive animal health history, and education during weaning process. The Newnham cattle carry a great reputation for performance on grass finishing and often enjoy competition from repeat buyers. Tail removed at assessment.
