Assessor Comments	A classy line of Angus steers that tick all the boxes, presenting in forward store condition they are well positioned to take advantage of the coming winter/spring. These steers have had access to a self feeder containing pellets since weaning and would adapt to any feedlot operation. Fuss free cattle and a delight to handle in the yards and very quiet in the paddock. Vendor has been using Connamara Angus Bulls for more than 20 plus years. Weaners that have had no set backs and currently putting on a kilo a day.
