Assessor Comments	On offer Acc Sovereign Trust (D&M Lumsden) are 39 Autumn drop 24 born Angus heifers . Bred by the AI Bull Winchester and Murdeduke sires. These heifers are bred out of large framed Dollar, Ballangeich & Mudeduke blood Angus cows and show all the attributes of growing into quality future breeders or heavy feeders. showing plenty of depth, width and bone. Heifers have had all the treatments and are ready to take onto the next stage. These heifers come with my highest recommendation and are the very best my vendor can offer.
