Assessor Comments	46 July/August 2024 drop Angus steers. Only young cattle that have performed so well in a very tough year. A complete drop of steers that present in forward store condition and have excellent weight for age. The Mcpiggery team focus on easy doing cattle and these steers optimise that. Grazed under rotational conditions and yarded weaned temperament makes management easy. Sired by high indexing Keringa and Bulloak Well bulls purchased out of the top of the catalogue every year. Cattle have performed exceptionally well in feedlots in the past. Purchaser will not be disappointed with these steers.
