Assessor Comments	A line of Angus and Speckle Park steers that are rising 12 months ideal to feed on. These steers have been in confinement feeding for approximately 6 weeks on a mix of cereal hay, barley, beans and supplement on a ration that is aimed more at maintenance than rapid growth. Steers are out of Pathfinder blood cows that have been bred towards good 400 and 600 day growth, Speckle Park steers have shown excellent hybrid vigour also. Please note that there are also 27 heifers from the same property being offered in this sale.
