Assessor Comments	A line of Angus and Speckle Park heifers that are rising 12 months ideal to feed on. These heifers have been in confinement feeding for approximately 6 weeks on a mix of cereal hay, barley, beans and supplement on a ration that is aimed more at maintenance than rapid growth. Heifers are out of Pathfinder blood cows that have been bred towards good 400 and 600 day growth, Speckle Park heifers have shown excellent hybrid vigour also. Please note that there are also 37 steers from the same property being offered in this sale.
