Notable Traits	Traits 1 Head Bull calf with navel lump			
Assessor Comments	On offer buyers an excellent line of very good quality first calf Angus infused Heifers with Brangus calves at foot. These young Cows have been running back with a Stud Brangus Bull. They have been a part of a rotation grazing program making them well handled and used to electric fences. Vendor only selling due to a change of direction but has always had a high opinion of these Cows. Please see photos and video for your satisfaction. Vendor has another lot in this auction.
