Notable Traits	Traits 1 Head Fly bites		
Assessor Comments	Attention buyers a line of Charbray and Brangus Cows and Calves. These genuine breeders are doing a great job of their calves and have all been joined back to a Stud Brangus Bull. These Cows have been a part of a rotation grazing program making them well handled and used to electric fences. Vendor only selling due to a change of direction but has always had a high opinion of these Cows. Please see photos and video for your satisfaction. Vendor also has another lot in this auction
