Assessor Comments	Top quality line of heifers PTIC to Shacorradau Q327 (heifer bull). These heifers are the tops of the drop and were retained by vendor to sell as PTIC. Heifers were joined from the 1/10/24 to 0/12/24. They have grown out extremely well

and are a credit to the breeder. These heifers would go on to be great matrons in any ones herd. All the hard work has been done.
