Assessor Comments	On offer is a very good quality mob of Angus & Ang cross Cows And Calves. Cows have been running with a BILLAGLEN Ang Bull since 20/12/24 and will be running with bull until delivery. All cows were in a fit and healthy condition @ assessment and cows have been doing a very good job on either their 2nd or 3rd calf. On the market because vendor is cutting back in numbers. Good tidy cows that will continue to be productive units for years to come. Please note approx 3 cows with pink eye scaring no detrimental to eyesight.
