Assessor Comments	These are a good line of young Angus preg tested, 13 x 2 year old heifers, and 6 x 3 year old cows. Bulls in, 13.11.24, and out 15.01.25. Boortkoi have been using Barwidgee and Weeran Bulls over many years, with great success. Their cattle are very adaptable, which has been proven in previous sales. They are in ideal calving condition, showing good structure and development. Due to the harsh conditions experienced in the district, the cattle have held up very well.
