These steers were very good to handle in the yards and worked well through the crush. They settled quickly after weighing				

	in the yards for photos. They would be no trouble for anyone with some cattle experience to handle and are a credit to the vendor.

Assessor Comments	A quality run of well bred Angus X feeder steers. These steers are renowned for their performance and doing ability in the paddock, as well as the feed yard. All sired by quality Glenoch Angus bulls and out of a high quality herd of Angus & Angus X cows. They are showing great weight for age off the pasture without any supplement feeding. The Temperament on these steers is a credit to their vendor. The vendor has pre-treated the steers and will deliver to Toogoolawah Saleyards and guarantee clear of the dip.
