Assessor Comments	Buyers, here is a small line of very good quality, vendor-bred Angus heifers in forward store condition. These heifers are sired by quality stud Angus bulls out of quality Angus cows. The heifers are very easy to handle and have been managed within a cell grazing program. Please note: these heifers have had access to a bull and are located in a tick area. Also, please note that one heifer has a minor blight in her near-side eye, but it is not considered a significant issue. Buyers, please note this vendor also has another lot in the Eastern States Sale.
