Assessor Comments	Offering a very good line of vendor-bred Angus heifers which will bolster your Angus breeding program or alternatively grow out to be quality feeder or trade weight cattle. These are the tops of the drop, with 39 steers from this vendor also available in the sale. The vendor has done an extremely good job with these calves, given the dry start to the year in this area. This lot of heifers offer the following: * Sired by registered Romani Angus bulls * August/September 24' drop * 250kg live-weight * Low weight 220kg; high weight 305kg * Very quiet due to being properly handled * Scanned and ready for NLIS transfer at no cost to purchaser * Approximately 3 heifers sighted at assessment with white spots on udders.
