Assessor Comments	9 excellent quality purebred Limousin heifers on behalf of Donna Valley Limousins. Heifers show characteristics typical of the breed with great butt shape and muscle definition from top to bottom. Heifers with plenty of frame and growth for age and are marching ahead on good quality silage. Ideal to take on and feed for domestic winter market. The Withers cattle often enjoy support of repeat buyers and would perform on grass or grain and make excellent high yielding trade bodies, or take on to make into future breeders.
