Assessor Comments	These cattle represent the general run of the Angus Cattle bred by "Jarrahwood" at Yea. The are well structured and well bred steers ideal for feedlotting or growing into Bullocks. All Health treatments are done and will respond well on feed. Temperament is very good. The are well bred young calves. Buyers please note there is 1 Black Baldy steer which can be omitted if arranged prior. There is also the odd pink eye scarring which is not detrimental. These cattle are noted performing steers.
