Assessor Comments

An excellent line of angus heifers ready to perform form any purchaser, weighing 281.7kg at time of assessment. These heifers are only being offered due to the dry conditions as vendor would usually keep them to join the breeding herd. These heifers have excellent breeding with predominately Granite Ridge blood lines with some heifers being sired by Power Play angus bull from Kelly angus. please note: two heifers have white underneath them, two heifers had an eye patch applied as a precaution and a handful of heifers having pink eye scarring.
