Assessor Comments	Excellent line of EU accredited Poll Hereford Weaner Heifers . The Senior Park herd has had an outstanding reputation for high quality Poll Hereford cattle for many years. This group is a draft that are surplus to the owners breeding requirements, with only 40 heifers retained in the herd. Present remarkably well in very strong forward store condition and are well grown, in spite of terrible season. some plainer over loin and spine. Very odd heifer with a mild case of warts on neck. Have previously been purchased as breeders or to grass fatten with a great deal of success. A good opportunity to purchase genuine breeder's cattle.
