Assessor Comments	38 well breed EU Pathfinder bld Angus heifers that were fully yard weaned and have held condition. These heifers present in good condition with a smooth softness about them. Standing on a strong bone structure with depth of body makes these heifers appealing to the eye and fit into anyone's herd with ease. These heifers have done exceptional in current climate conditions but due to ongoing dry, vendor would like to move them on. Vendor has been purchasing Pathfinder bld bulls for 10 yrs. Please note Vendor has a line of steers in this sale as well.
