Assessor Comments	On offer are 8 young purebred Angus heifers, with 3-month-old calves at foot. The heifers themselves range from 26 to 30 months old and have the bloodline of Millah Murrah Kingdom K35. They are functional, feminine, long, and deep-bodied females with their whole life ahead of them as breeders. Whether in the paddock or in the yards, they are a quiet and easy-to-handle group. The calves are a very consistent line all sired by K5X Stoked S58, with a breakdown of 5 bull calves and 3 heifer calves. The heifers were blooded as yearling and will present clean for anyone going to clean country.
