Handled With	Bikes , On foot , Vehicles																								

Assessor Comments	This is a great line of cows that have only hit the market due to the dry season and due to start calving mid June. They have been bred and selected with good maternal traits in mind for over 25 years. Their frame is on the large end of the scale and they present in very good condition. They have had calves weaned off them last week end and will travel well. They are front paddock cattle that won't disappoint.
Assessor	Geoff Rice (Level 1 Accredited) Phone: 0408 952 075 Assessor declares a conflict of interest in this lot
