|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Assessor Comments      | Lead draft of PTIC Onslow and Bundarboo blood heifers. Heifers are due to calve in spring, joined to Onslow heifer bulls. Heifers are in forward store condition. If given the opportunity heifers will continue to mature and grow. Good quality heifers that were easy to handle at assessment.                                                                                            |
